

REMARKS

Claims 1-10 and 13-22 have been canceled, without prejudice or disclaimer thereof. The subject matter of the canceled claims was allowed in parent application Serial No. 09/564,988, now U.S. Patent No. 6,313,119.

Claims 23-27 have been added to the application. Support for the new claims is found generally throughout the original claims and the specification at, *e.g.*, page 28, line 16, through page 29, line 20; and page 33, line 24, through page 34, line 15. Because the foregoing amendments do not introduce new matter, entry thereof by the Examiner is respectfully requested.

Applicants earnestly await early and favorable consideration of the pending claims.

Respectfully submitted,

Mary C. Till
Reg. No. 41,545
